

20W LED ALS Flood Lamp

Product Code: FLALS20W

Barcode: 600284406 5867

Ambient Light Sensor

Designed and engineered
in South Africa

Features

- Low energy consumption.
- Cost efficient.
- Low thermal output.
- Shockproof and vibration proof.
- LED lamps run cool and so minimise deterioration, prolonging the performance and lifespan of your LED flood lamp.
- LED lamps switch ON / OFF instantly with no warm up time (ALS 1 minute) and are also flicker free.
- Leading technology using compact thermal management.
- Quality control throughout the manufacturing process.
