

30W LED Flood Lamp

Product Code: FLED30W
Barcode: 6002844060435

- 2 year warranty
- Toughened glass
- Energy saving

TECHNICAL INFORMATION

Specifications

Dimensions (dia. *length) - excluding pins	226*186*125
Materials (Case & Cover)	AL+toughened glass
PCB Materials	PC
Working current (mA)	120mA
Input voltage (V)	90~264V
Power (W)	30W
Luminous flux (lm)	1900 - 2100lm
Colour temperature (K)	6000K
CRI	70
Working temperature (°C)	-20°C~45°C
Storage temperature (°C)	-45°C~70°C
Beam angle	90~100°
LED	COB
Illuminance-1 M(unit:lux)	829
Illuminance-2 M(unit:lux)	210
Illuminance-3 M(unit:lux)	92
Illuminance-4 M(unit:lux)	51

30W LED Flood Lamp

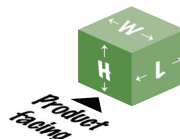

Designed to deliver high efficacy and reduced wattages similar to wide beam models, Small LED diodes create bright, shadow-free security and spot lighting for a variety of outdoor applications, including facades, landscapes, public places, retail and residential complexes, and hospitality.

THE PACKAGE CONTAINS

1 x 30W LED Flood Lamp

PACKAGE DIMENSIONS

Height (mm)	Length (mm)	Width (mm)	Weight (kg)
