Rent per Month

R33.92 is the Rental option subject to approval by a third party financier over a period of 36 Months

If the project were not completed, ellies would continue paying as much as R 22.08 per month for lighting. But by completing the project, this amount can decrease to as little as R 3.84 each month. Even if you rent the equipment for R33.92 over 36 months, you end up paying only R37.76 monthly which, after the 36 months, becomes money in your pockets.
